Idaho City Tour

The Idaho City trip is the signature event for this reunion. Idaho City was the site of one of the early Forest Service smokejumper units, from 1948 through 1969, when it moved to Boise. The little community is rich in early gold mining history and made richer by the presence of smokejumpers for two decades. The tour will provide opportunities to visit historical buildings, a pioneer cemetery and a stop at the home of former assistant unit foreman Kenn Smith, who restored the house. It now serves as a mini-museum of the smokejumper unit. A plate lunch of barbecued chicken and ribs, salads and huckleberry cheesecake is included.
